WORK EXPERIENCE

Medikabazaar (B2B & B2C)

Product Manager - Marketplace - Customer Experience, Outreach & Retention

Mumbai, India

2024 October- current

- Built an in-house notification engine, replacing a costly vendor who was charging 72L/year and driving revenue from ₹1.5L to ₹65L/month with personalised communication journeys(~40x increase within 9 months).
- Increased **Month-1 retention by 50%** and **Month-2 retention by 110%** by launching personalized nudges via multiple channels and various engagement and retention hooks.
- Improved **monthly recurring revenue by 50%** by optimizing checkout and personalizing repeat-purchase journeys.
- Lifted Play Store rating **3.6 to 4.6 stars** through UX upgrades and feedback loops.
- Launched a **subscription feature**, driving **₹30L/month recurring revenue within 2 months of launch** and achieving **40 subscriptions/day**, significantly improving user retention and revenue consistency.
- Created multiple AI analytics dashboards with the help of Claude to give insights to leadership
- Currently building a **loyalty program** aimed at increasing **customer lifetime value** and overall platform revenue by **2X**.

Cipla Digital Health Limited (B2C)

Associate Product Manager - Founding team member

Mumbai, India

2022 July- 2024 October

- Collaborated with cross-functional teams to launch a B2C healthcare app from **scratch** acquiring **1M+ users** in 2 years.
- Ideated, launched, and scaled a digital subscription service for breathing exercises and yoga, growing from **zero to 100 subscriptions/day** in the span of 3 months.
- Integrated & owned medicine delivery and lab tests module end-to-end, contributing to **40% of the company's total revenue**
- Led** the launch of app-localization, resulting in a **20% increase in activation journeys**
- Integrated new payment gateway, resulting in a **30% increase in transactions** (Easebuzz to Razorpay)
- Managed the **product life cycle** of multiple products, from ideation to launch, utilizing Agile methodologies to ensure timely delivery and go to market strategy.
